Re: Conflict of Interest Questionnaire

To Whom It May Concern:

Several of our public sector clients have instructed us to complete the newly required "Conflict of Interest Questionnaire". The State legislature has caused this new requirement to become effective January 1, 2006 and it applies to all vendors who provide services or sell products to entities such as yours. It is our understanding that this questionnaire is to be completed by your vendors and kept in your files. Furthermore, it appears that a new questionnaire is to be completed by September 1st each year. As a result, attached is our completed questionnaire for your records.

Should you have any questions or comments concerning this form, please contact us.

Very truly yours,
